- ▶ For the Education and Training session at ERPW2020:
 - Propose to the programme committee to have a full day training course / refresher course dealing with EP&R on Monday 28th October or Friday 2nd November (**P. Nunes, D. Oughton, W. Raskob**)
 - To identify material to be presented, come back on the E&T topics presented at ERPW2019 and check if other courses are planned on 2019-2020 on similar topics (e.g. IAEA) (**D. Oughton, P. Crouail**)
- ▶ Get feedback from HERCA on the possibilities to collaborate with the Platform after the meeting on 23rd March 2019 (F. Gering)
- ▶ Organize a Skype meeting with JRC-ISPRA to discuss cooperation (**T. Schneider, W. Raskob**)
- ▶ For the update of the NERIS Roadmap, based on the finalization of the SRA circulate the document with the R&D Committee to check wording and new topics; then circulate with Supporting Organisation and finalize the document for the end of November 2019 (**all**)
- ▶ For the Joint Roadmap, share and discuss the list of common “game-changers” with the Management Board (**T. Schneider**)
- ▶ Organise a the satellite CONCERT brainstorming meeting on 26th May 2020 (before the NERIS workshop) on the basis of the finalized Joint roadmap “Game-changers” for addressing future needs for research (**all**)
- ▶ Come back on the proposal of the meeting with NUGENIA (5-6 February 2020, Fontenay-aux-Roses, France) and check who will attend (**T. Schneider**)
