

Workshop 2025

29th September 2025 | London, United Kingdom

Call for abstracts and draft agenda

Save the date

The 11th NERIS Workshop will take place at The Cumberland in London, as a satellite meeting of [European Radiation Protection Week 2025](#), on 29th September for the full day.

On the morning, this Workshop will be dedicated to PIANOFORTE projects related to NERIS:

- From Call 1: [CITISTRA](#), [RRADEW](#), [PREDICT](#),
- From Call 2: [CATAPULT](#), [GIROSCOPE](#).

In the afternoon, the Workshop will cover Emergency Preparedness Response & Recovery (EPRR) topics from the NERIS community and international organizations.

Call for abstracts

For the 2nd part of the Workshop, abstracts are welcomed on the following topics:

1. Ongoing R&D related to the current NERIS Roadmap and beyond

- A. Radiological impact assessment
- B. Countermeasures and countermeasure strategies, decision support and disaster informatics
- C. Trans-disciplinary and inclusive framework for EPRR

2. Recent and new development related to EPRR

- A. Resilience: EPRR in armed conflicts, etc.
- B. New nuclear technologies: EPRR for SMRs/AMRs, etc.
- C. Sustainability: EPRR relation with UN Sustainable Development Goals, etc.

Other abstracts related to EPRR are also welcomed. Please send your abstracts **before 4th July** by answering the filling in the following form, also available on the NERIS website: [abstract submission](#).

If you have a special request to send your abstract, please contact us at sec@eu-neris.net.

Call for abstracts (ERPW)

As a reminder, two main topics in **ERPW** Call for abstracts are directly related to EPRR:

- EPRR for nuclear detonation,
- EPRR frameworks, governance and stakeholder involvement.

NERIS is directly involved in reviewing abstracts related to these topics, and other that may be connected to EPRR. If we consider moving your presentation to the **NERIS Workshop** for practical reasons, we will keep you informed to discuss the best way to proceed.

The deadline for sending an abstract is on **13th June at the latest**. Guidelines on abstract submission are provided on [ERPW 2025 website](#).

Registration

You can register to the workshop by filling in the following form: [online registration](#). You will need to [register to ERPW](#) to have access to facilities.
